Being the parent or guardian of the above rider:

- I understand and agree that my son/daughter participates in the 2011 Southdowns Challenge Cyclo Sportive event entirely at his/her own risk. I have considered and understood the nature of this event and have discussed them with my son/daughter. I am satisfied that my son/daughter is sufficiently responsible and competent to assume full and entire responsibility for his/her own safety in relationship to other traffic whilst engaged in this non competitive event on the public highway.
- I understand and have emphasised to my son/daughter that the function of marshals in this event is to do no more than indicate the direction the rider should take and that the responsibility for safety whilst negotiating corners, turns and other hazards must rest with the rider alone.
- I understand further and have impressed upon my son/daughter that all participants on the open road must observe the law of the land relating to road travel.
- I agree that my son/daughter shall participate in this event without any liability whatsoever on the part of the promotor, promoting club, or any club or organisation affiliated to or their officials or members in respect of any injury, loss or damage suffered by him/her, provided that this does not exclude the liability of any such party for death and personal injury arising from that party's negligence.
- I confirm that my son/daughter does not have any disability or medical condition, physical or mental, which could affect his/her ability to ride safely in this event.
